

The Longmont

Full Size 55"

70055 Longmont TV Lift Cabinet and 70355, 70455 Longmont plus 2 Side Cabinets

The Longmont mimics the impressive design and flawless function of our Brookside unit, but with a contemporary twist. Ultra-modern black lacquer gives this entertainment giant a decidedly sleek, modern look.

The sultry casing houses our whisper-lift technology that ensures smooth, electro-mechanical operation and accommodates plasma and LCD TVs up to 55" wide by 32.5" tall. Tempered, frosted glass panels round out its avant-garde personality.

Roomy right and left audio/media cabinets can be added to hold a stereo, DVD player, gaming system, or home theater receiver.
